Dear Sir/Madam,

In my capacity as the Professor of International Business, at the Maharaja Sayajirao University of Baroda, it is with great pleasure that I recommend Rahul Brahmkhatri for the Masters Programme offered by your University. I have been teaching Rahul since last two years. During this time, I have found him to be a wonderful young man who not only excels in academics but also in sports.

During these two years I have observed that he is goal-oriented, highly motivated and is very polite. Apart from this he takes initiative and completes the academic assignments and extra-curricular activities with great dedication. He has been very hardworking and has maintained his grades throughout. I have seen steady growth in his results. He has some good leadership qualities and has very effective communication skills.

I believe that Rahul would be an excellent value addition to your University. I highly recommend that you admit him into the programme. Please feel to contact me if you have any questions regarding his past academic records or his character.

Sincerely,

Mr. Justin John
Assistant Professor
